### NOTE REGARDING PUBLIC DISCLOSURE OF THIS RETURN:

Form 990 (Return of Organization Exempt from Income Tax), Form 990-EZ (Short Form Return of Organization Exempt from Income Tax, and Form 990-PF (Return of Private Foundation) are included among the tax documents subject to the public disclosure requirements which apply to tax-exempt organizations under Section 501(a) and described in 501(c) and 501(d). Form 990-T is subject to public disclosure by 501(c)(3) organizations.

In general, IRS regulations require tax-exempt organizations to provide copies of certain tax documents to requesting individuals. These tax documents are usually to be provided immediately in the case of in-person requests and within 30 days in the case of written requests. The tax-exempt organization may charge a reasonable copying fee plus actual postage, if any. A tax-exempt organization does not have to comply with individual requests for copies if it makes the documents widely available as described in the regulations. This can be done by posting the documents in an acceptable format on a readily accessible World Wide Web site, either the organization's own or on a database of exempt organization documents maintained by another organization. These disclosure requirements are in addition to the requirement that tax-exempt organizations must make their tax documents available for public inspection.

In general, a tax exempt organization is not required to disclose to the public the names or addresses of contributors reported on its annual return. Unless your organization is a private foundation or a political organization, we recommend that on any copies provided to the public, posted to your website, or made available for public inspection you make the following changes:

- -- Remove the statement, if any, attached to Schedule A entitled Identification of Excess Contributions Included on Part IV-A, Line 2b, and
- -- Black out the names and addresses of contributors, if any, on Schedule B.
